DELEGATES ASSEMBLING FOR A NATIONAL CONVENTION.

What the Platform of the New Party Is Expected to Be—Simon B. Buckner Likely to Be the Standard-bearer—Prominent Citizens Not Upon the Ticket to Be Chosen.

Indianapolis, Ind., Aug. 18.—(Special.)—The American party is to hold its first convention of general character in this city on Sept. 2. It will be a delegate convention, but it is expected that there will be a large attendance of spectators. The call for the convention was issued by the National Executive Committee of the party, which met in this city on July 4. The call was issued in accordance with the action of the national convention held in Washington, D. C., on Feb. 22, 1888, when the party was organized. The call was issued by Chairman Patrick Ford and Secretary Thomas Allen. The basis of representation in the convention will be one delegate for each Congressional district and two delegates at large for each State. The number of delegates to which each State will be entitled is as follows:

IN GENERAL.

C. S. Gleim, President of the South Side Railway Company, begins at the price that he is to resign or not on 1st inst. He is "down to date."

John Murphy, a Burlington switchman, caught his foot in a frog and Chester cross and had his leg crushed and was severely bruised to a pulping pain.

James Dolan has sold to J. P. Grimes for $30,000 the property, 50x 80 and 100 feet 6inch, on the south side of the street and has a frontage of forty-five feet.

Robert W. Gleim, a colored gardener at C. W. & S. Partridge's store on State street, is under $1,000 to appear in the county court on Thursday next, according to $50 in default in the county court.

Capt. Peter of the United States Secret Service has two counterfeiters given bonds of $5,000 each, one a Mr. of color under Judge Gresham's court yesterday. The other got his being passed upon.

A special dispatch from Riverside says: "At Holy Name church this morning occurred the marriage of Miss Jude T. Hughes, a young lady well known in literary circles, to T. E. Murphy of Chicago."

The local committee of the Order of the Knights of the Golden Eagle yesterday afternoon and decided to accept the invitation of the Lake Shore Road to the special excursion to Toledo, Sept. 7 and 8, for the benefit of the widows and orphans.

Three drivers for C. L. Hathaway, the well-known horse dealer on the Cottage Grove avenue boulevard, were held to the Criminal Court by Justice Hoxie. They are charged with assisting part of the coal they have sold to the poor.

In reference to a report that the name was to be proposed for legal consolidation of the S. C. & N. W. R. R. Station and that he had no objection to that direction as he hadn't the time to spare. He thinks the office should go to the East Side road.

The temperature yesterday as observed by Signal Service officer Francis Gerdon was as follows: 6 a. m., 67° above zero; 7 a. m., 67°; 8 a. m., 67°; 9 a. m., 67°; 10 a. m., 67°; 11 a. m., 67°; 12 m., 67°; 1 p. m., 67°; 2 p. m., 67°; 3 p. m., 67°; 4 p. m., 67°; 5 p. m., 67°; 6 p. m., 67°; 7 p. m., 67°; 8 p. m., 67°; 9 p. m., 67°; 10 p. m., 67°; 11 p. m., 67°; 12 p. m., 67°. Maximum, 67°; minimum, 67°; mean, 67°.

J. W. S. Thomas, the colored lawyer who has been in much of the social talked for disreputable at the Harrison street police station, says that the reason colored girls are sent to the "crooked" floor is because they are more "tractable" than white girls. He says he never gets any white girls. He says girls are sent up there by their parents or friends to learn the ways of women in this community. The keepers don't want the trouble. He says he prefers to, and almost succeeds at the latter, as the greatest aid to taking the prisoners to appropriate beds in cells.

Playing with a Hot Pan.

Several months ago the City of Chicago employed to the satisfaction of neighboring hotels a young colored lady by the name of Lizzie Taylor, who resided with her parents at No. 1 Grand Avenue. This young lady was employed in the kitchen of the Grand Pacific hotel, and while there she was in the habit of playing with a hot pan, which she would throw from one hand to the other, and in doing so she dropped it on the floor, and in picking it up she burned her hand so badly that she was compelled to go to the hospital, where she remained for several days. She is now at home, and will be able to resume her duties in a few days.

Quarreling Over a Sweetheart.

Ole Williamson, a young carpenter, boarded at No. 70 Cedar street and had for his fellow-boarder Fanny Olsen, the proprietor's daughter. Fanny also got a call with Ole from Logan, and charged his boarding-house. Each got another girl, and one evening at a ball Ole and Fanny had a quarrel, and Ole left the house. Saturday night Fanny went to a dance and threatened to kill herself. She then went home and told her father that Ole had promised to marry her, and threatened to kill herself if he refused to do so. Ole denies the charge, and says that Fanny is angry because he refused to have anything more to do with her. Fanny was arrested yesterday afternoon on a charge of attempting to commit suicide.

Hot Women's Imprecations.

Mary Fitzgerald was sent for several days yesterday to the Harrison Street police station by Justice Hoxie, in default of $200 bail, for assaulting Mrs. Ellen Cahill, who lives on the first floor of the same house in which Mary lives, on the West Side. Mary is a young girl of fifteen years, who, with a quarrel, has not been over-burdened with modesty, and seems to take delight in using the most vulgar epithets she can think of. The trouble between the two ladies arose from the fact that Mary Fitzgerald thought her washing had been thrown from the front of Mrs. Cahill's residence. Mrs. Cahill denies that she threw the washing out, and says that Mary Fitzgerald was in the habit of using vile language to her children.
